

## What can EURAXESS do for you?

**When:** 6 March 2023, 10.00-11.00

**Where:** The „Club“ room of the Institute of Thermomechanics

**Lecturer:** Mgr. Zuzana Maršálková, EURAXESS Czech Republic

**Description:** This presentation is focused on foreign researchers and their family members living in the Czech Republic. The EURAXESS office provides a wide service for their clients. Maybe you do not know everything what we can offer to you.

### **Mgr. Zuzana Maršálková**

Zuzana has been working in the EURAXESS office since May 2017 as a project specialist. Her main responsibility lies with family members of foreign researchers and their everyday situations – integration, schooling system, parental allowance, job search etc., but she also organizes Adaptation and Integration courses for EURAXESS clients with cooperation of the Ministry of Interior. She also provides the regular consultation on the entry conditions of foreign researchers and their family members. Her new activity in EURAXESS team are career consulting.
